13th September 2023

Dear Parents and Carers,

I am delighted to inform you that the outcome of our Ofsted inspection on the 11th and 12th July 2023 is that Stonehill School continues to be a good school.

I have attached the final inspection report for you to read. The report is also available to view on the school website and will be published on the Ofsted website tomorrow.

On behalf of staff and governors, I would like to thank you for taking the time to share your views on Parent View and for the many positive emails and messages of support we received during the inspection. As we were last inspected in February 2018, we were expecting an Ofsted inspection and were pleased it happened before the end of the school year as it enabled us to showcase the work of staff and children over the year. We are very pleased with the outcome and feel that the report captures the ethos and work of the school well.

During the inspection, the inspector commented very positively on the relationships between pupils and on the caring and supportive relationships between pupils and adults. I am privileged to work in a team where the needs of our children are at the heart of everything we do. Every member of staff at Stonehill is committed to providing the best possible education and pastoral support for our children and the children were keen to share their positive experiences of school with the inspector.

We will continue to develop and improve our provision at Stonehill School and look forward to working with you and our children in the coming year.

Your sincerely,

Elaine Close
Headteacher
