

## Stonehill School Pupil Premium Strategy statement

This statement details our school's use of pupil premium (and recovery premium) for the 2023 to 2024 academic year to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy of how we intend to spend the funding in this academic year.

### School overview

## Part A: Pupil premium strategy plan

### Statement of intent

Stonehill School is committed to providing the best quality education possible to ensure that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across the curriculum.

The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal. We are aware that many of our children are vulnerable and face additional challenges and the outcomes and activities outlined in this document are intended to support not just their learning needs but also their mental health and well-being.

High quality teaching and learning has the greatest impact on the attainment of all pupils and particularly in closing the disadvantage attainment gap. Strategies outlined in this document will not just benefit disadvantaged pupils but will benefit all pupils at Stonehill School.

Our aim is to enable every pupil to learn and achieve to the very best of their ability. Some of the strategies outlined in this document will be short term projects or initiatives, however a number will be ongoing as part of our continuous provision for disadvantaged pupils.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge                                                                                                                                                                            |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1                | On entry, PP pupils in Nursery and reception have greater communication, speech and language needs compared to non PP pupils. This affects progress in all areas.                              |
| 2                | A significant proportion of PP pupils (41%) also have special educational needs. This affects progress in all areas.                                                                           |
| 3                | Underachievement of some PP pupils impacts on their ability to meet expected outcomes at the end of each key stage.                                                                            |
| 4                | High levels of deprivation for PP pupils means that many do not have access to the same opportunities for enrichment as other non PP pupils.                                                   |
| 5                | Poor engagement of parents of some PP pupils and lack of parental support at home affects pupil progress.                                                                                      |
| 6                | Increasing numbers of pupils with complex social, emotional and mental health needs and increasing levels of challenging/concerning behaviour linked to these impacts on pupils and resources. |

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome                                                                           | Success criteria                                                                                                                                                                                                                                                                                                                                                                                                  |
|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Improved communication, speech and language skills for PP pupils in EY and KS1             | <p>The Wellcomm programme and other appropriate speech and language interventions are well established and used to assess pupils, identify appropriate targets and measure progress/performance.</p> <p>PP pupils in the early years and KS1 make rapid progress by the end of the year so that they meet their individual targets.</p> <p>The gap between PP and non PP pupils in EY and KS1 is diminishing.</p> |
| Higher rates of progress for SEND PP pupils.                                               | <p>Appropriate interventions and strategies in place for SEND PP pupils with regular monitoring of impact.</p> <p>SEND PP pupils make progress at least in line with other SEND pupils.</p> <p>The progress and attainment gap for SEND disadvantaged pupils is diminishing year on year.</p>                                                                                                                     |
| Improved outcomes for non -SEND PP pupils at the end of year.                              | <p>Appropriate interventions and strategies in place for PP pupils with regular monitoring of impact.</p> <p>PP pupils make accelerated progress and meet end of year targets.</p> <p>The progress and attainment gap for disadvantaged pupils is diminishing year on year.</p>                                                                                                                                   |
| PP pupils have access to a broad range of enrichment activities to support their learning. | <p>Funded places offered to PP pupils for after school clubs, educational visits and residential trips.</p>                                                                                                                                                                                                                                                                                                       |

|                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                                                                                                                                                                                                | <p>PP pupils experience a wide range of enrichment activities so that they have similar opportunities to other non-PP pupils.</p> <p>PP pupils are more engaged in their learning and make better progress over the academic year.</p>                                                                                                                                                                                                                                                                                  |
| <p>Improved levels of parental engagement in school and at home.</p> <p>Examples of initiatives to improve parental engagement: invitations to school events, drop in's for hard to reach parents, targeted support e.g. Parenting puzzle, EHM lead 1:1 and group sessions supporting your child at home, half termly Parent support group</p> | <p>Effective targeted support and signposting of services by the family support worker and Senco build links between home and school for vulnerable pupils and their families.</p> <p>Improved levels of attendance of PP pupils.</p> <p>Improved levels of progress and attainment.</p>                                                                                                                                                                                                                                |
| <p>Pupils with social, emotional and mental health needs are assessed and well supported. SLT, SENCO, FSW and other adults support individual pupils and their families through individual behaviour plans, 1:1 support, mentoring, referrals to services to support mental health and well-being</p>                                          | <p>High quality effective provision to support mental health and well-being is embedded and enables pupils to meet their full potential.</p> <p>Effective outside agency involvement with individual pupils and their families e.g. Children's Service, North Herts Primary Support Service, Intensive Families First Support, SEND support group, Nessie therapists</p> <p>Improved levels of progress and attainment of pupils with SEMH needs.</p> <p>Fewer incidents of serious challenging behaviour recorded.</p> |

### Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £45,800

| Activity                                                                                                                            | Evidence that supports this approach                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Challenge number(s) addressed |
