Pupil Premium Pledge

Stonehill School is a happy, caring and inclusive school. We promote positive behaviour and high achievement through developing the life skills and learning habits of all pupils, encouraging them to be leaders of their own learning.

We work closely with our families to support their children. We have high expectations for all pupils and we are committed to removing barriers to learning to improve our pupils' life opportunities.

For our disadvantaged pupils in particular, we think creatively and do all that we can to maximise the social and educational development of all children who qualify for additional funding. We are committed to 'diminishing the difference' in the attainment and progress of disadvantaged children and consider the needs of the pupils carefully when planning activities and interventions to support them.

We regularly monitor the progress of disadvantaged pupils throughout the academic year and adjust provision where necessary as needs are identified.

Our Pupil Premium Strategy outlines how we plan to use our Pupil Premium Grant to provide services and support for our disadvantaged pupils and is available to view on our website.
